
Takeaways

The intestacy rules can result in some unexpected results, some of which might be unfair but more importantly the rules probably do not achieve what the deceased would have wanted.

How can RSM help?

Ultimately, the best way to avoid the intestacy rules and the consequences of them is to make a Will setting out exactly what you want to happen to your personal effects and assets when you pass away.

If it's time you made a Will, and you would like more information on this subject, please get in touch with Sophie St John and Alix Langrogat, or your usual RSM contact.
